ABOUT

Lakeview Farms

It is a thoughtfully designed farm community that brings together luxury cottages, lush plantations, and serene natural surroundings.

Set away from the noise and congestion of the city, Lakeview Farms offers a peaceful retreat where nature, comfort, and long-term investment value coexist harmoniously.

Surrounded by expansive greenery and rich plantation cover, this project is ideal for those seeking a calm lifestyle, weekend escape, or a future-ready land investment.

Golden Sunrises, Golden Moments

Wake up to calm mornings where the first rays of the sun paint the sky in warm golden hues. At Lakeview Farms, every sunrise feels personal – reflecting over open fields, gentle landscapes, and still waters. This is where mornings are slow, peaceful, and deeply refreshing.

Homegrown Freshness, Healthy Living

Experience a lifestyle rooted in wellness and sustainability. From organically grown fruits and vegetables to fresh herbs cultivated within the community, Lakeview Farms encourages mindful living. Here, food is fresher, air is cleaner, and life feels healthier.

Managed Community

Lakeview Farms is thoughtfully planned as a secure, well-maintained gated community. With professional management and regular upkeep, every aspect of the property is designed to offer peace of mind.

Prime Location and Appreciation

Surrounded by lush greenery and scenic lake views, Lakeview Farms offers the perfect blend of countryside charm and long-term value. Its strategic location ensures excellent connectivity while retaining the serenity of nature.

THE EXPERIENCE

A LIFE CLOSER TO NATURE

Wake up to misty lake views, fresh air, and open skies. At Lakeview Farms, life slows down. This is a place where nature sets the rhythm and you follow it.

Minimal & Premium

Whether you are walking through the land, sitting by the lake, or simply spending time outdoors, the experience is grounding and restorative. Lakeview Farms offers a way of living where calm becomes a part of everyday life.

AMENITIES WITHIN NATURE

01. Lake-view surroundings

Scenic views and a calm natural setting that create a peaceful everyday environment.

02. Gazebo & common sit-out spaces

Quiet areas to relax, read, or spend time with family while enjoying the outdoors.

03. Cottages within the community

Comfortable stay options for weekend visits and extended stays.

04. Plantation & green zones

Dedicated areas for farming, plantations, and maintaining green cover across the project.

05. Water infrastructure

Planned water sources to support daily usage and agricultural needs.

06. Electricity connectivity

Reliable power supply designed without disturbing the natural landscape.

AMENITIES WITHIN NATURE

07. Drip irrigation support

Efficient irrigation systems for water conservation and healthy plantations.

08. Managed farmland support

Assistance with plantation planning, land maintenance, and agricultural guidance.

09. Picket & boundary fencing

Clearly demarcated plots with secure fencing while retaining an open rural feel.

10. Entrance arch & internal access roads

Well-planned access with smooth internal roads and a welcoming entrance.

11. Mobile network & connectivity

Strong network availability for calls, data, and work-from-farm convenience.

12. Open green spaces

Ample open areas for walking, relaxation, and reconnecting with nature.
